<p>On June 1, 2020, the Department received a complaint via email from Abigail Rodas alleging she had been shot in the face with a rubber bullet during a recent protest. Rodas indicated that at 1900 hours, she and other demonstrators were in the area of Edinburgh Avenue and Beverly Boulevard, when someone threw a bottle toward the front line of the demonstration. Rodas stated that when she yelled at demonstrators not to throw bottles at the police, she was shot in the face with a rubber bullet and lost consciousness. Rodas was ultimately transported by private vehicle to Cedars-Sinai Medical Center, where it was determined she had sustained a fracture to her jaw requiring surgery.</p> <p>Investigative responsibility regarding this incident was originally assigned to the Department's SAFE LA Task Force under CF No. 20-001651. On August 24, 2020, the Department was able to confirm Rodas was admitted to Cedars-Sinai Medical Center on May 30, 2020, for a fractured jaw. Although the Department has yet to locate video of the incident, uniformed Department personnel were in the area at the time it occurred. Based on the totality of the circumstances, it appears likely Rodas' injury was caused by a Los Angeles Police Officer and was subsequently classified as a Categorical Use of Force, Law Enforcement Related Injury (LERI). Investigative responsibility for this incident has been reassigned to Force Investigation Division (FID).</p> <p style="text-align: center; margin-top: 20px;"><b>THIS INFORMATION NOT FOR DISSEMINATION TO THE MEDIA</b></p>
